Presentation Topics for Schools and Parents

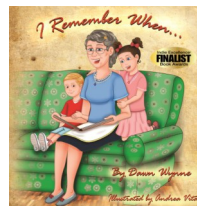

Earth Remembers When

An engaging and informative presentation about humans' impact on Earth. Through hands-on activities children will learn practical tips to help the environment. Students will understand how their actions affect our world. Great "Go-Green" assembly.

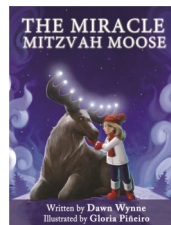

I Remember When

Journey back in time to life before the digital era. Discover what it was like to do laundry by hand, operate a rotary phone, and compose a letter on a typewriter. A fun, interactive assembly that adults will enjoy too!

Writer's Workshop

Explore the writing process and how to overcome typical pitfalls. Students will have the opportunity to learn how a book is published and ask questions. Even the most reluctant writers will be inspired.

Other assemblies include Healthy Eating for Children, Sensory Writing and much more.

Presentations can be customized to fit your needs.

"I heard from many teachers who attended numerous authors' visits that yours was the best they've seen. More importantly, the kids truly enjoyed it too!"

~California School PTA

"Thank you for one of the most dynamic, interactive author visits ever! You are a master at engaging the children and getting them to really think. And have loads of fun at the same time!"

~Claudette, Librarian
